BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Notwithstanding any other provision of law to the contrary, it shall be the duty of the department of transportation to erect and maintain directional signs for sites of cultural significance in this state, including the erection of such signs for Gospel Church on State Route 251 (Old Hickory Boulevard), both northbound and southbound, at such route's intersection with Sonya Drive in Metropolitan Nashville and Davidson County.

SECTION 2. The erection of such signs shall be within the guidelines prescribed by the *Manual on Uniform Traffic Control Devices*.

SECTION 3. This act shall become operative only if the federal highway administrator advises the commissioner of transportation in writing that the provisions of this act shall not render Tennessee in violation of federal laws and regulations and subject to penalties prescribed therein.

This act shall become operative only if the cost of the manufacture and installation of such signs is paid to the department of transportation from non-state funds within one (1) year of the effective date of this act. Such payment shall be made prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in non-

state funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.

SECTION 5. This act shall take effect upon becoming a law, the public welfare requiring it.
